

ORCHIDS ONCE MORE

Some years ago the Society published a cyclostyled Bulletin "Round the Year with the Orchids of Auckland" by Edwin D. Hatch. Members have frequently enquired about this Bulletin which has been out of print for a number of years. The Society now satisfies their demand by a publication:

"Auckland Orchids" by Edwin D. Hatch.

This is a new and enlarged edition of the previous work. This fresh Bulletin has been printed (not cyclostyled) and published in a firm cover. It is well illustrated by no less than twenty-seven fine drawings of the species described and is provided with a key to both genera and species. This little booklet slips readily into the holiday pack and we trust that members will be able to make full use of it during the summer season.

Obtainable from the Secretary.

Price: 1/6 to members (plus 3d postage)
1/6 to schools (plus 3d postage)
2/- to non-members (plus 3d postage)
