BOTANICAL NOTES

Issue

- Jun 57 *Amaranthus hybridus* - pilewort (adventive)
Mar 57 *Anagallis arvensis* - scarlet pimpernel, blue form (adventive)
Dec 43 *Asplenium hookerianum* - at Karekare
Sep 44 " " - at Bethells
Sep 44 *Astelia* name changes
Mar 44 *Aulacopilum glaucum* (moss) - Raukokore R., Bay of Plenty
Dec 55 *Australina pusilla* - Urewera
Dec 53 *Beilschmiedia* spp - flowers
Dec 57 *Bellis perennis* - common daisy (adventive)
Dec 43 *Blechnum procerum* (capense) "Green Bay" form - localities
around Auckland
Dec 58 *Brassica tourneforti* - Mediterranean mustard
Mar 62 *Bulbophyllum tuberculatum* - at Pukematekeo, Waitakeres
Jun 62 " " - at Puketū Forest
Aug 63 " " - at Clevedon
Dec 45 *Carmichaelia* genus
Dec 56 *Cerastium caespitosum* - perennial mouse-eared chickweed (adventive)
Sep 56 *C. glomeratum* - annual & biennial " " " "
Mar 52 *Cladium huttoni* - at Huia
Jun 45 *Clematis hexasepala* (*forsteri*)
Dec 46 *Colensoa* (*Pratia*) *physaloides*
Dec 54 *Coprosma areolata*
Jun 52 *C. crassifolia* and *C. rigida*
Mar 47 *Coriaria* - revision & key to spp
Sep 55 *Corybas cryptanthus* - name
Jun 44 *Cordyceps* (*Isaria*) *sinclairii* - 'vegetable caterpillar'
Mar 55 *Craspedophyllum* (*Hymenophyllum*) *armstrongii* - at Waipoua
Jun 61 *Cyathea cunninghamii* - at Cascades.
Dec 46 *Dacrydium kirkii*
Sep 53 " " - at Titirangi
Jun 57 *Diplotaxis muralis* - wall rocket (adventive)
Sep 44 *Doodia caudata* - at Swanson
Jun 44 " " - at Bethells & Piha
Jun 57 *Duchesnea indica* - Indian strawberry (adventive)
Sep 44 *Eucamptodon* (moss) - at Silverdale
Jun 44 *Eugenia maire*
Mar 55 *Eupatorium* spp (adventive)
Jun 57 *Galinsoga parviflora* - Kew weed (adventive)
Sep 59 *Gastrodia cunninghamii* - association with exotics, Nelson
Dec 45 *Gaultheria* - revision & key to spp
Dec 56 *Geranium molle* - dovesfoot cranesbill (adventive)
Dec 57 *Helminthia echioides* - ox-tongue (adventive)
Hymenophyllum atrovirens - see *Mecodium*
H. armstrongii - see *Craspedophyllum*

Issue	
Mar 62	<i>Ipomoea palmata</i> - Great Barrier Island
Jun 44	<i>Isaria (Cordyceps) sinclairii</i> - 'vegetable caterpillar'
Sep 56	<i>Lamium purpureum</i> - dead nettle (adventive)
Mar 48	<i>Largenaria vulgaris (siceraria)</i> - Maori bottle gourd
Dec 53	<i>Litsea calicaris</i> - flowers
Mar 45	<i>Loranthus micranthus</i> - at Huia, Parau
Jun 62	<i>Lycopodium</i> spp
Jun 62	<i>Macroglena (Trichomanes) strictum</i> - Puketi Forest
Mar 55	<i>Mecodium (Hymenophyllum) atrovirens</i> - Waipoua
Mar 55	<i>Melianthus major</i> - Cape honey flower (adventive)
Jun 58	<i>Melicope simplex</i>
Mar 45	<i>Metrosideros</i> name changes
Dec 58	<i>M. carminea</i> - at Makarau
Jun 48	" " - at Titirangi
Jun 58	<i>M. scandens (Forst) (fulgens)</i> - yellow flower form
Mar 58	<i>Microsorium (Phymatodes) diversifolium</i> - form with bipinnatifid fronds
Mar 46	<i>Mida salicifolia</i> (incl. comparison with <i>Olea (Nestegis)</i>)
Dec 51	<i>Mida</i> and <i>Nestegis</i>
Dec 56	<i>Modiola caroliniana</i> - creeping mallow (adventive)
Sep 60	<i>Mutinus borneensis (stinkhorn)</i> - at Whangarei
Sep 45	<i>Myosotidium hortensia</i> - notes for cultivation
	<i>Neopanax</i> - see <i>Nothopanax</i>
Mar 62	<i>Nertera setulosa</i> - at Waipoua
Mar 46	<i>Nestegis (Olea)</i> - comparison with <i>Mida</i>
Dec 51	<i>Nestegis</i> " " "
Dec 59	<i>Nothofagus truncata</i> - Titirangi locations
Dec 59	" " - North Shore
Dec 59	" " and <i>N. fusca</i> - relationship
Mar 46	" " "
Sep 57	<i>Nothofagus</i> - construction of spp key
Jun 45	<i>Nothopanax (Neopanax) colensoi</i>
Jun 58	" " <i>anomalum</i>
	<i>Olea</i> - see <i>Nestegis</i>
Jun 48	<i>Ophioglossum pedunculatum</i> - at Titirangi
Sep 56	<i>Oxalis cernua</i> - Burmese buttercup (adventive)
Jun 58	<i>Paratrophis microphylla</i>
Sep 44	<i>Phylloglossum drummondii</i> - at Silverdale
	<i>Phymatodes</i> - see <i>Microsorium</i>
Sep 57	<i>Phytolacca octandra</i> - inkweed (adventive)
Jun 45	<i>Pilularia novae-zelandiae (water-fern)</i>
Dec 44	<i>Pittosporum</i> genus
Jun 52	<i>P. obcordatum</i> - at Wairoa, Hawkes Bay
Jun 55	" " " " (last known natural stand)
Jun 45	<i>Porphyra</i> spp (seaweed)
Mar 57	<i>Portulaca oleracea</i> - common purslane (adventive)
	<i>Pratia</i> - see <i>Colensoa</i>
	<i>Pseudopanax</i> - see <i>Nothopanax</i>
Dec 44	<i>Psilotum</i> - on Rangitoto Island
Mar 44	" - on Waikato River
Dec 45	<i>P. triquetrum (nudum)</i> - localities in Auckland area
Mar 62	<i>Psilotum</i> and <i>Tmesipteris</i>
Sep 45	<i>Pterocladia lucida</i> (seaweed)
Sep 45	<i>P. capillacea</i> (seaweed)
Dec 44	<i>Pterostylis barbata</i> - on Rangitoto Island
Dec 44	<i>Rubus</i> - name changes
Sep 59	<i>Schizilema colensoi</i> - Kaimanawas
Jun 51	Sedges of Auckland district - key & description
Sep 57	<i>Solanum auriculatum</i> (adventive)

Issue

- Sep 57 Solanum nigrum - black nightshade (adventive)
 Dec 57 Sonchus asper - prickly sowthistle (adventive)
 Dec 57 S. oleraceus - common " (adventive)
 Sep 56 Stachys arvensis - field woundwort (adventive)
 Sep 56 Stellaria media - common chickweed (adventive)
 Dec 57 Taraxacum officinale - dandelion (adventive)
 Mar 62 Tmesipteris and Psilotum
 Trichomanes - see Macroglena
 Dec 56 Veronica arvensis - Eurasian speedwell (adventive)
 Dec 56 V. tournefortii
 Aug 58 Weinmannia silvicola & W. racemosa - distributional overlap
 Mar 60 " " " " " "
 Sep 55 Yoania - the discovery of the "Waipoua" orchid
 Mar 63 " - the "Waipoua" orchid - 8 years later

ADVENTIVES

- Dec 44 Mt Eden - adventive wildflowers
 Dec 45 Mt Eden - " "
 Sep 56 'Weeds in my Garden' Part 1 (Crookes)
 Dec 56 'Weeds in my Garden' Part 2 "
 Mar 57 'Weeds in my Garden' Part 3 "
 Jun 57 'Weeds in my Garden' Part 4 "
 Sep 57 'Weeds in my Garden' Part 5 "
 Dec 57 'Weeds in my Garden' Part 6 "

BOT. SOC. PROJECTS

- Sep 51 Herbarium collections (native & adventive), Huia & Silverdale
 Dec 61 Fairy Falls recording project
 Sep 62 " " " "
 Nov 63 West coast cliff vegetation

FUNGI

- Jun 56 Some common fungi (Dingley)

FERNS

- Dec 47 Revisions (lecture) (Crookes)
 Sep 61 Terminology, life cycle, etc (lecture, illustrated) (Crookes)
 Dec 44 Ferns (lecture) (Crookes)

SEAWEEEDS

- Jun 49 Seaweed excursion, Motuihe Island
 Sep 45 Seaweeding at Campbells Bay
 Jun 48 Seaweeds in tide pools at Narrow Neck (Ambler)
 Jun 48 Seaweeds of the inter-tidal zone on west coast (P. Hannken)
 Jun 45 Porphyra spp - description
 Sep 45 Pterocladia lucida & P. capillacea - description
 Mar 50 Seaweed vegetation on Little Barrier Island

MOSSES

- Dec 61 Mosses: terminology, life cycle, etc (Crookes)

Issue

Aug 58 Marine phytoplankton (Cassie)

ORCHIDS

Jun 55 On the cultivation of the native orchids (Hatch)

Jun 51 Sedges of Auckland district - aid to identification, key
and description (Cook)

Dec 43 Plant communities near Auckland (lecture) (Lancaster)

Mar 47 Swamp vegetation, Self's Lake, Papatoetoe

Sep 45 Salt marsh, Shore Road, Remuera

Dec 46 Sand dunes (lecture) (Chapman)

Jun 58 Divericating shrubs (Crookes)

Mar 44 Some aspects of flower-bud formation (lecture) (Li)

Mar 44 Common plants in fruit in March

Jun 44 Winter flowering plants

Mar 63 Flowering notes (Waitakeres) (Mead)

Mar 48 Propogation of some N.Z. plants from cuttings (Jollie)

Sep 48 " " " " seeds (Jollie)

Dec 48 Research on N.Z. plants (lecture) (Godley)

(Suggestions for amateur projects, experimentation)

Sep 49 'Towards a local Flora' - instructions to collectors

Dec 55 Historic trees of Auckland (Milliner)

Sep 56 " " " "

BOTANICAL RECORDS: I. AUCKLAND (* Bot. Soc. field trip)

Dec 44 * Rangitoto Island (Psilotum, Pterostylis barbata)

Dec 46 * Rangitoto Island (lecture) (Milliner)

Sep 50 * Rangitoto Island

Mar 57 Rangitoto Island - submission for preservation & management

Dec 43 * Mt Eden, Almorah Road (Goodfellow's property)

Mar 60 * Mt Eden - ferns on a road bank (Crookes)

Dec 44 * Mt Eden - adventive wildflowers

Dec 45 * Mt Eden - " "

Sep 44 * Orchids at the Auckland Domain

Sep 45 * Remuera, Shore Road - salt marsh

Jun 46 * Narrow Neck Reef

Jun 48 * Narrow Neck - seaweeds in the tide pools (Ambler)

Mar 44 * Kauri Park, Birkenhead

Mar 46 * " " "

Dec 62 * Merrit's Bush (adjacent Kauri Park) (Fisher)

Dec 62 * North Shore Reserves (Fisher)

Dec 48 * Smith's Bush, Takapuna

Jun 52 * " " "

Dec 62 * " " "

Dec 50 * Sugar Works Reserve, Chelsea

Sep 45 * Campbells Bay, seaweeding

Dec 54 * Waikumete Cemetery pine plantation community

Sep 52 * Glendowie, Churchill Park

BOTANICAL RECORDS: II. WAITAKERE RANGE (* Bot. Soc. field trip)

Dec 44 * Titirangi

Sep 53 * Titirangi (including Dacrydium kirkii)

Sep 49 * Titirangi, School Road (Miss Russell's bush)

Jun 48 * Titirangi, Bishop Reserve (Ophioglossum pedunculatum)

Jun 48 * Titirangi, Filter station (Metrosideros carminea)

BOTANICAL RECORDS: II continued (* Bot. Soc. field trip)

- Dec 53 * Walkers Bush
 Mar 48 * " "
 Dec 51 * Oratia, University Reserve (note on Mida and Nestegis)
 Jun 50 * Cascades
 Jun 61 * " (Cyathea cunninghamii)
 Dec 49 * Goldies Bush
 Mar 50 * Te Henga
 Dec 55 * Bethell's swamp and beach
 Jun 52 * Te Henga, Mr Lusk's native plantation
 Dec 45 * Swanson, University Reserve
 Dec 48 * " "
 Sep 44 Swanson - Doodia caudata
 Sep 57 The Cornwallis pines (Atkinson)
 Sep 59 * Karekare cliffs
 Dec 43 Karekare - Asplenium hookerianum
 Jun 48 Seaweeds of inter-tidal zone on west coast (P. Mannken)

BOTANICAL RECORDS: III NORTH AUCKLAND (* Bot. Soc. field trip)

- Dec 62 * Battersby's Bush, Albany
 Mar 47 * Woodhill - sand reclamation area
 Dec 62 * Crewa Bush
 Dec 62 * Waiwera Hill
 Dec 58 * Woodcocks & Makarau (Waitangi Falls) (Metrosideros carminea)
 Mar 55 * 'Botanical notes from Northland' (Woods)
 Mar 63 * Whangarei
 Mar 64 * Waipoua
 Mar 51 Waipoua, flat-topped spur, S.W. cnr (Jessop)
 Sep 47 Waipoua Forest: submission to Conservator of Forests
 Sep 44 North Cape Peninsula (Potts)

BOTANICAL RECORDS: IV SOUTH AUCKLAND, COROMANDEL, HAMILTON/TAURANGA

- Mar 47 * Papātoetoe, Self's Lake (swamp vegetation)
 Sep 49 * Papakura, Kirk's Bush
 Jun 58 Papakura 'Botanical Block'
 Aug 63 * Clevedon (Bulbophyllum tuberculatum)
 Dec 50 * Hunua River, Black Lily Falls (F. Jollie's property)
 Sep 53 * Oreré, Hunua Range
 Dec 52 * Pokeno - forest farm (R. Hohneck's bush)
 Sep 55 * Pukekawa, Tuakau
 Mar 61 * Maungatautari (Ngaruawahia)
 Nov 63 Neavesville (Thames Highway) (Gudex)
 Dec 62 * Kauaeranga River, Coromandel
 Dec 53 Mt Pirongia (Barr)
 Mar 60 * " "

BOTANICAL RECORDS: V. BAY OF PLENTY

- Mar 62 * Kaimai Range
 Sep 54 Mt Hikurangi (Cresswell)
 Sep 60 Pukeamaru Range (Cape Runaway) (Cresswell)
 Mar 52 East Cape District (Wood)
 Dec 55 Indigenous flora of Cook's Cove, Tolaga Bay (Cresswell)

BOTANICAL RECORDS: VI. OFF-SHORE ISLANDS

continued on next page

BOTANICAL RECORDS: VI. OFF-SHORE ISLANDS (* Bot. Soc. field trip)

- Mar 55 * Ponui Island
 Mar 56 * " "
 Jun 49 * Motuihe Island - seaweed excursion
 Jun 51 * Noises (Otata Island)
 Jun 48 Little Barrier Island (lecture) (Crookes)
 Mar 50 Little Barrier Island - seaweed vegetation
 Dec 50 Great Barrier Island (Hynes)
 Aug 63 Three Kings Island (Michie)
 Mar 56 Mayor Island (Hynes)

Crookes, M. (ed), List of Native Plants of the Auckland District and a Short History of the Auckland Botanical Society, 1937 - 1962. (Silver Jubilee)Taylor, M., Crookes, M., Wheeler, J.M., Green, P.S., Local Species of Coprosma, Hymenophyllaceae, Astelia & Collospermum and The Wild Olives.CONGRATULATIONS TO PROFESSOR NEWHOOK

Readers will no doubt be pleased to learn that one of our members, Professor Frank Newhook, was recently awarded a Doctor of Science degree by London University for research of international importance over a considerable period, some 90 publications produced over nearly 40 years. Much of his work has been with Phytophthora cinnamomi, a plant pathogenic fungus, which is a major cause of economic loss in temperate and sub-tropical countries throughout the world. - Ed.
