- ESLER, A. E.  
 Amateur botanist, The (*Editorial*) 40:3  
 Leaf fall and flowering of nikau 36:19  
*New Zealand Alpine Plants* (*Review*) 38:48
- ESLER, W. R.  
 Succession of fronds of mamaku (*Cyathea medullaris*) 39:41
- Field Guide to the Alpine Plants of New Zealand* (*Review*) 36:33  
 Filmy-fern fronds, Growth in response to rainfall 36:14
- FLETCHER, M. V.  
 Growing New Zealand mosses and liverworts 40:55  
 Flora of the Aorangi Range, southern Wairarapa (Druce) 37:4  
 Flora of Goulard Downs, Mt Goul and Mt Perry, N.W. Nelson (Druce & Simpson) 38:7  
 Flora of Mt St Patrick, St James Range, N. Canterbury (Druce & Simpson) 40:9  
*Flora of New Zealand Vol. II* (*Review*) 37:69
- FORDE, M. B.  
*Flora of New Zealand Vol. II* (*Review*) 37:69
- Geastrum triplex*, earth star (photograph) 39:50  
 Germination of kowhai at Hokio beach 37:65
- GIBBS, E. G. (*Obituary*) 39:51  
 Mountain plants of Tongariro National Park, a selection of photographs 37:45  
 Glaucous hebe of the Inland Patea 37:64  
*Glossostigma elatinoides*, Notes on (Duguid) 36:15  
 Goulard Downs, Mt Goul and Mt Perry, N.W. Nelson, Flora of (Druce & Simpson) 38:7
- Grass (*Poem*) 38:46
- GREENWOOD, R. M.  
 Notes on growth of young nikau plants 16:22  
 Growing New Zealand mosses and liverworts (Fletcher) 40:55  
 Growth of filmy-fern fronds in response to rainfall 36:14  
 Growth of young nikau plants, Notes on 36:22
- Handsome immigrant, A 37:68  
 Hebe, glaucous, of the Inland Patea 37:64

HEGINBOTHAM, M.

- Hukutaia Domain, Opotiki, Museum of the New Zealand flora 38:34  
Herbertville, Matagouri at 39:45  
Hokio Beach, Germination of kowhai at 37:65  
Hukutaia Domain, Opotiki, Museum of the New Zealand flora (Heginbotham) 38:34  
Index to areas for which check-lists of vascular plants have been compiled (Druce) 39:5  
In memory of Ella Cox (*Poem*) 36:32  
Index to Bulletins 36-40 40:59  
Inland Patea, Glaucaus hebe of the 37:64

Kauri line, Rare and unusual plants north of (Bartlett) 40:37

KELLY, G. C.

- Seller's market, A (*Review*) 36:33  
KIMMINS, SYBIL J.  
The Underworld (*Poem*) 39:56  
Kiripiti Scientific Reserve, Otaki Plain (Macdonald) 40:34  
Kowhai, Germination at Hokio Beach 37:65

- Lake Cobb—January 1970 (Petterson) 37:54  
Leaf fall and flowering of nikau (Esler) 36:19  
Leaves of *Clematis paniculata* 36:40  
Lichens that grow on bark or wood (Martin) 36:9  
*Lythrum salicaria* (A handsome immigrant) 37:68

MACDONALD, M. C.

- Kiripiti Scientific Reserve, Otaki Plain 40:34  
Mt Reeves 40:31  
Mamaku (*Cyathea medullaris*), Succession of fronds of (Esler) 39:4

MARTIN, WILLIAM

- Lichens that grow on bark or wood 36:9  
Matagouri, at Herbertville 39:45; Further record in the North Island 39:47  
Moa Park, Abel Tasman National Park (Druce) 36:24

MOLE, R. H.

- Raoulia subsericea* in the North Island 37:68

MOORE, L. B.

- Mrs Violet M. Scott of Takaka (*Obituary*) 68:43

New plant names 38:25

- Walter Boa Brockie (*Obituary*) 68:3  
Mosses and liverworts, Growing New Zealand (Fletcher) 40:55  
Mountain plants of Tongariro National Park, a selection of photographs (Gibbs) 37:45

### ANNOUNCEMENT

The Botanical Society keeps up with the times! In line with present-day trends, this Bulletin has been produced by the photo-offset process which enables type and photographs to be set up together instead of prepared separately as letterpress and zinc blocks. The type was prepared on the latest V.I.P. computerised composing machine at Palmerston North. It is hoped this process will help to combat rising prices without any decline in the quality of reproduction.
